BOOK REVIEW American Gun A History of the U S in Ten

American Gun was published four months after Kyle, who was a United States Navy SEAL, was murdered by a friend and fellow veteran who was reportedly suffering from PTSD. The book contains a foreword written by his wife Taya, who, after her husband's death, worked with his editor to bring across the finish line a project Chris was so passionate about.

American Gun A History of the U S in Ten Firearms by

American Gun is about the guns from the 1700s through today's guns. If you know a lot about guns this is the book to read. If you are a person who wants to know about which war these guns were in. In my opinion I really like this book, not only because it's military it's because it has the story's of each gun.
