Both gangsta chiefs are physically intimidating men. Their major differences are that Python is covered in tats and has a surgically altered tongue so that it resembled one of a snake. Mason, a little bulkier, a little darker, shiny on top with a goatee and one fucked up eye that he lost in a gun battle years ago. Despite these differences, I m suddenly hit with the realization that at this angle these two

look eerily similar.

Gangsta Divas was a fast paced novel. I love the fact that within each of the books within the Diva Series we are introduced to new divas and their perspective on how the streets are. These women are hardcore but they hold their own. I loved it and if you want to purchase a good reading novel put your money on this one.
