When I gave my now 15 year old daughter a Kindle for the holidays, I included The White Giraffe as a nostalgic present, along with several books more of her age group. I'm sure we'll both re-read this book more than one time. It's an adventure story, it's magical, and it's poignant. There are other Lauren St. John books in the series with the same characters, but The White Giraffe remains a favorite.

Overall the white giraffe is a decent book and a simple read. I liked how there was suspense and action in some places. I didn't like how the whole book was based on one character. I did not like the book as a whole because it was too easy and somewhat boring.
